These comments refer specifically to Addingham. The location of the Village in the northeast corner of the District close to the Dales National Park and adjacent to the Nidderdale AONB is important. Foraging zones for both the North Pennine SPA/SAC and South Pennine SPA extend over the entire Parish. It is therefore a very sensitive area both in terms of landscape, environment and recreation value. The Society would therefore favour Paragraph 5.33.1 (page153) Alternative 5 instead of the preferred option. It would only support the preferred option if Alternative 5 proved to be unrealistic or undeliverable. Reference the Addingham Neighbourhood Plan.

Please continue your comments on the next page.
