4. Please provide your comments and/or any suggested changes in the box below.

If you would support an alternative to the preferred option, please provide further details and evidence to support this.

(Please note: Your representation should cover succinctly all the information, evidence and supporting information necessary to support / justify the representation and the suggested change. It is important that your representation relates to the consultation document).

The Society is in support of the revised Green Belt proposals but has reservations about the inclusion of Safeguarded Land. As stated in paragraph 3.14.26 (page 39) it is not mandatory under the revised NPPF. The Society favours paragraph 3.15.1 Alternative 2 (page 41) to exclude Safeguarded Land at this stage. Given the longevity of the Plan to 2037 there is plenty of time to review progress both provision of housing / development land and the status of the Holme Wood SUE.

Please continue your comments on the next page.
