Parish Council News

Simon Tennant, Parish Council Chairman writes:

I would first like to introduce two new faces to the Parish Council team. We are excited to welcome our new Clerk, Lucy Steer.

Lucy lives in Addingham and over the coming months will have the opportunity to meet some of you as she takes operational responsibility for the day-to-day running of the Council.

We have co-opted a new member of the Council, Andrew Hastings.

You can read more about Cllr Hastings in this edition.

Since our last Newsletter was published, the whole village got together and celebrated the 80th D-Day anniversary. Like so many village events, the Parish Council joins with village groups and volunteers to organise and run them. We owe special thanks to our friends at Addingham Civic Society; Addingham WI; Addingham Primary School pupils for their project work and Choir for performing at the War Memorial; Addingham Churches together and the Addingham Singers.

The Heritage Group created the display in the Hub with the pictures and insights into the lives of brave men and women. Those who visited agreed it was extremely humbling.

The hugely anticipated Gala weekend returned with a packed programme in July. The committee left no stone unturned to ensure a safe and enjoyable event for everyone. Thank you to all who helped and supported.

In the last edition, we all enjoyed reading Cllr Peter Hindle's memories of D-Day. Sadly, Peter has passed away and the Parish Councillors and staff are adjusting to life without his straight talking approach to Council business.

You may not have known Cllr Peter Hindle personally, but you will have benefitted from his commitment to making the community of Addingham a better place to live and work.

The first of many of his accomplishments was the restoration of the Old Band O'le on Silsden Road, where he spent time keeping chickens and growing vegetables. As a builder by trade, we have had many jobs completed around the village thanks to his skills and experience. Coupled with this, he has turned his hand to anything that was asked of him, from replacing fence posts on allotments to cleaning the flagpole. Recently, he undertook the installation of many replacement benches around the village.

His work with the Council was not limited to maintenance and handy work. Peter took his Councillor role seriously and viewed it as a privilege to serve. His contributions to lively discussions were always shared with a calm head.

Peter was also the Chairman of Addingham United Charities, a role he valued and was deeply committed to. He really was the very best of us.

Civic Society News

Hello all Gill Battarbee here, Chair of Addingham Civic Society.

The Society is having another busy year so rather than remind you about the projects we have already completed this year, I'd like to give you a flavour of what's in store over the next few months.

Heritage Group Of our numerous projects two are particularly relevant at the moment. The first is a project to Capture Local Experiences of Covid-19. It was a unique time for many of us and may well be an experience some would prefer to forget. However, before it is forgotten our Heritage Group would like to capture

your memories. (more details in their article.)

Another project is in preparation for Addingham's City of Culture 2025. Our Society theme is Walks and the Heritage Group will be designing and planning a new Heritage Walk for 2025 – watch this space....

Environment Group (AEG) They're working with the Parish Council on plans for our third Climate Action Addingham (CAA) Village Meeting on November 9th. At this meeting all the CAA community groups will review progress towards the village environmental objectives. Those village objectives can be found here: <https://www.climateactionaddingham.info/objectives>

Continuing in collaboration with the Parish Council we will be considering the most effective ways in 2025 that we can all embrace those goals.

ACS Planning Group will have its work cut out over the next few months responding to the proposed reforms to the National Planning Framework. After the consultation period there'll be much follow up work evaluating the potential impact for Addingham.

Community Our focus over the next few months will be:

- Presenting our 2024 Civic Pride Awards
- Our New Members' Meeting
- The Autumn Fair
- Our monthly Speaker Meetings
- And of course the Christmas Party.

So there's plenty to keep us busy!

Please join us. We're great value and add value to our village in all sorts of ways.
 Contact:
chairman@addinghamcivicsociety.co.uk.
 You will be very welcome.

Best wishes **Gill**

Addingham Environment Group (AEG)

Addingham Environment Group for Children THE SAPLINGS

Do you know a young person who might like to join us, aged between 5 - 12 ?

A great way for them to enjoy nature and the outdoors!

We meet at the Addingham Hub, Main Street, on the first Saturday of the month between 10 - 12

If you are interested or would like more information contact us on:

aeg@addingham.info
or
01943 839792

Rainbow Tots and Little Blossoms

After over 30 years of **Rainbow Tots** at the Methodist Church Hall, we are now handing over to Hayley and Stacy at **Little Blossoms**.

Rainbow Tots has been a baby and toddler group meeting on a Monday morning during term time with toys and activities for the little ones and adult conversation for the grown-ups. It's been going on so long that some parents that now attend can remember coming as children!

For me personally, it has been a wonderful way to

meet new parents and carers in the village, especially during Covid times, when it was difficult to get out and find new groups. A big thank you to the Methodist Church for hosting Rainbow Tots in the beautiful building and helping us store the numerous toys!

Thank you also to all the parents and carers who have helped keep Rainbow Tots going all these years- it's hard work, but very much worth it.

Little Blossoms Mon & Thurs at St. Peter's Church Hall 9.30-11.30am. Plus Rev. Shannon will still visit monthly for story time. We hope to see you there with your little ones!

Best wishes,
Lucinda Haigh-Monk, Rainbow Tots
Hayley Dunn & Stacy Greenwood, Little Blossoms.

Addingham Barbers

Addingham Primary School

Linda Spinks, Headteacher writes:

As a new academic year is beginning, it is a time to reflect on our achievements last year and plan out our year ahead.

Our Amazing Musical The Year 3, 4, 5 and 6 children finished last year on a high with the most incredible performance of Joseph and the Amazing Technicolour Dreamcoat. The staff and children were extremely dedicated putting in extra time and effort to rehearsals, prop making and set design. Everyone who saw the show was blown away, and many (including me!) said it was like a professional West End Show. Our singers, dancers, actors and tech support were amazing!

Our new playground equipment is here and the children love playing on the new trim trail and play frames which allows children of all ages to access this active play and have lots to explore as they grow.

Community Day We also hosted a community day, when members of staff and families came into school on a sunny Saturday to spruce up our outdoor garden spaces. We created beautiful calm spaces for both play and learning opportunities, working alongside our community.

Gala As ever we are so proud to be a part of the Addingham community, and the gala just before the summer was such a wonderful day. The children loved creating costumes and proudly walked with our school or their other clubs and groups.

D-Day celebrations were also a joy to be a part of with our previous Year 6 children sharing their learning and our choir enjoying the opportunity to sing for all who came. These opportunities and others like them help our children to develop their sense of belonging and are crucial to the building of their identity.

The Three Peaks Challenge I must mention three incredible boys from our new Year 6, Jamie, Larry and Louis, who challenged themselves to walk the Yorkshire 3 Peaks on September 7th and raised £2000 for our school. This gesture really touched my heart. As a small village school we need all the support we can get to provide the best for our children. To take it upon themselves to raise much needed funds for our school shows how kind and determined our children are. They want to buy computing

equipment which will benefit all classes for years to come. Please follow this link to support them- <https://gofund.me/c7205c7d>.

Addingham Primary School

Friends of Addingham Primary School - FAPS

FAPS | Ilkley | Facebook

We are fortunate to have our Parent Teacher Association (PTA) who for years have supported our children and families, by raising funds for the playground, classroom equipment, iPads etc. They also put on lovely events such as discos, Christmas Fayre, Fireworks Night, Quiz Nights, this list goes on. These occasions are a wonderful way for the community and our children to come together. We have a new committee this year, who I am confident will continue the tradition of being a very supportive and successful PTA. Their first event, a sponsored Colour Run for all the children to take part in, was a huge success. Thank you for supporting them. Follow FAPS Facebook page for more community events and opportunities to help us provide the best for our children.

The Year ahead is already shaping up to be full of fun, enriching and exciting learning opportunities including us taking part in Young Voices (the largest children’s choir in the world), enhancing our Art Curriculum with an art specialist, further use and development of our outdoor learning, alongside our usual rich curriculum.

I look forward to welcoming and getting to know our new Reception starters and other new starters throughout the school and of course seeing how all the children flourish and develop in their next school year.

Climate Action Addingham (CAA)

It's been a busy year for CAA. By the time you read this we will have held

all four of our special weeks focussing on **waste, wildlife, water and carbon** respectively. You can see more details about these weeks on the Events page of the CAA website: <https://www.climateactionaddingham.info>

Also take a look at the website to see the list of our village **environmental objectives**, read about **why** we think each objective is important

and see suggestions about **how** our objectives might be achieved.

Now towards the end of the year we turn our attention to our **annual meeting** to review the work being done by **village community groups** in tackling the climate change and biodiversity loss crises we face. There will be displays and talks and chats over refreshments too!

How green is our village: 2024

Saturday 9th November, 2 pm – 6 pm
Memorial Hall

Addingham Pop up Refill Stall

- Bring empty, clean bottles of any size for refilling (clear and wide necked are best). You can buy as much or as little as you like. We'll have some empty bottles available too.

WE STOCK

- laundry liquid
- washing up liquid
- liquid soap
- shampoo
- fabric conditioner
- surface cleaner
- bodywash
- soap bars

- The Refill Stall is at Mount Hermon Coffee Pot on **the second Thursday of the month** from 10.00 to 11.30 am
 - o Thurs 14 Nov.
 - o Thurs 12 Dec.
- Run by volunteers on a not-for-profit basis, which makes refilling plastic bottles with eco and people friendly cleaning & washing products more affordable.
- **Products are sourced locally** from Miniml in Cononley & the Friendly Soap Company in Hebden Bridge.

Why not save some bottles to fill with soap or body wash to give as an eco-friendly present?

Looking ahead to Christmas our soap and shampoo bars make a lovely stocking filler.

Addingham Good Neighbours

New members are always welcome.

We offer free transport in a minibus every Wednesday for those needing assistance.

WEEKLY ACTIVITIES

CraftShed - Mon 10-12 at the Scout Pavilion Hall

Come and enjoy making a wide range of items using wood & other materials. Take part in fun quizzes and learn new practical skills with Ken and his team.

Coffee & Cake - Wed 10.30 -12.30 at the Memorial Hall

Drop in for a drink & homemade cake or biscuit and have a chat from 10.30am. You can come from 10.30am or join the group after Pilates.

Pilates for Seniors - Wed 9.45-10.30 or 10.45-11.30

Have fun and improve your fitness with exercises and stretches. You can either sit or stand – no mats on the floor! Balls and stretchy bands etc are available to borrow. Good music included! Great value at £4 weekly.

IT Support – Weds 12-1pm at the Mem Hall – fortnightly

Drop in with your tablet or phone and Jaime or Becky will help you with any problems however big or small. If you're a beginner we have an iPad and mobile WiFi to get you started.

Our first Pilates Dance Party was so popular that we decided to hold another Summer Party in late July. With about 40 members and volunteers a good time was had by all.

Afterwards we asked some members for comments and this was their response.

“Once again thanks from all of us to the lovely volunteers and Sabine, our amazing Pilates teacher. We had another fantastic party on a Saturday afternoon – what more could you ask for. A ‘boogie’ with friends, plenty of laughter and a desire to do it all again! To all those who missed out do join us next time.”

Addingham Singers

The Addingham Singers have enjoyed a busy first half of the year with weekly choir practices and, for some members, additional rehearsals at the Addingham pantomime. We sing a variety of songs ranging from folk, Motown to classic pop songs and this was reflected in our choice of songs.

First up was a performance at the Ilkley bandstand on a freezing cold and breezy April afternoon! Despite the cold we enjoyed ourselves and hopefully our audience of Grove shoppers and choir friends and family did too!

On June 6th this year the 80th anniversary of D-Day was commemorated. The Addingham Singers played

their part with an evening performance at the Swan pub drawing a huge crowd with audience members joining in with some of the songs. There were solos from some choir members and small group singing. On this occasion we were also lucky enough to be joined by a violinist, Jonathan Benn and a cellist, John Skilleter. It was a very moving and special performance - thank you to everyone who joined us in marking this important anniversary.

Our next performance was at the Addingham Gala, which had a very different atmosphere. We firstly joined in with the parade down Main Street in our colourful costumes singing the 'Trolls' theme tune "Can't Stop the Feeling" and "You've Got a Friend" from Toy Story! We were also up on the stage later on where we even got some audience members up and dancing.

We very much appreciated the support from the sound desk crew which meant we had excellent sound. We had such a lot of fun and loved the whole movie-themed day.

After a well-deserved summer break the Addingham Singers will be returning to rehearsals in September with a number of new songs to learn, some older ones to refresh and Christmas on the horizon!

Would you like to join us?

We are a friendly bunch and are always happy to welcome new members.

- Addingham Singers meet weekly on Monday evenings at 8-9.30pm.
- Anyone with some singing experience is welcome.
- If you think you'd like to join you can come for a taster
- You can contact us via our Facebook page 'The Addingham Singers' or via email on addinghamsingers@gmail.com or you can just turn up!

Bradford City of Culture 2025

On our doorstep we will soon have access to more than 1,000 new performances and events, a series of major arts festivals, and national and international collaborations.

The team at Bradford 2025 claim that next year’s City Of Culture will have a transformational impact on Bradford – securing millions of pounds of investment and acting as a catalyst for creative place-making and culture-led regeneration.

Their programme goes live just as we publish this newsletter and we hope to link in many of our cultural activities here in the village over the next twelve months.

Bradford 2025 will be for all of us to enjoy and support. Look out for press announcements of what’s coming up (we’ll also promote events locally) plus why not find out how you, your families and friends can get involved? **Sign up as a Bradford 2025 Volunteer:** they’re looking for more than 3,500 volunteers - there’s a variety of roles on offer and training too.

And in case you are wondering about the logo ...here’s the story!

‘b’ and ‘d’ form a heart – a positive, proud emblem.

Gold, inspired by the golden glow of sunlit sandstone architecture in Bradford city and the amber in the Bradford City A.F.C home kit.

Green, from the district’s rural landscapes and domed mosques.

Baby pink, inspired by Bradford’s humour, playfulness and peculiarity!

2025 is the year to show Bradford some love

NO BOOKING NECESSARY

St Peter's Addingham

Rector Mark Cannon writes:

About thirty years ago, a mother knocked on my door (I was a curate in Baildon) and asked me if I would christen her baby. I said:

“Yes, that is what we do”.

“Oh, good” she replied,

“Can you do it now? And can I leave him with you while you do it, and I’ll pop to the shop whilst you get on with it?”

At the time, I thought it was funny, but not all that strange. We used to get a lot of requests for baptisms and most weeks we’d open up the font and get the candles ready. Now the number of requests has collapsed, and we don’t do many at all. This is such a shame. Baptism is a joyful turning point - as the service says: “ from darkness into marvellous light”.

It happens at any age, and it is never too late to take that step. We might not get your shopping, but we do think we have an amazing offer this week and every week in church.

More about this on our Alpha course. See Tamsin’s piece opposite for more information.

Children and Family Events at St Peter's Addingham

Messy Church

Our Messy Church sessions are always **great fun**. We have a **story** then do lots of different **activities**. Sometimes we go outside and use the lovely grounds surrounding St Peter's, other times it's arts and crafts and team building games. We have some singing and end our sessions with a **shared meal**. It's a different way of doing church. Everyone's always **welcome** and we love to see new faces!

Our next **Messy Church** dates (all held at St. Peter's) are:
13th October - 24th November

Family Fun Day

St. Peter's Family Fun Day was another huge success this year. Families enjoyed the **happy and relaxed atmosphere**, with **refreshments** indoors and out, petting **animals**, a variety of community **stalls** to visit, as well as **games** and **races**. We had two amazing **bands**, *The Lost Embers* and *Route 65*, plus **Punch and Judy**, and hurray, the rain held off!!

Alpha Join us at **The Fleece** on **Wednesdays** at 7 starting in **November**, to explore life, faith and purpose – food, film and good conversation, give it a try! Find out more here

Making the building more comfortable and energy efficient

This summer we are replacing the old storage heaters with a more energy efficient electric heating. We have just received a hard-won lottery grant! This will assist with the cost of replacing the old wooden single glazed windows with double glazed UPC units together with refurbishing the toilets. We also hope, later in the year, to install suspended ceilings together with LED lighting to the leisure areas.

The space is open to all!
For enquiries and bookings: lr@richardsonelectrical.co.uk

Addingham Heritage Group

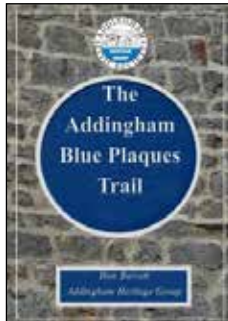

Chair of the Civic Society Heritage Group, Ian Cameron writes:

We have a new addition to the village – an information board about the history of Low Mill. Now everyone walking along the Dales Way can stop by the weir and read about the remarkable stories of Low Mill.

- As a world first in spinning worsted yarn in 1787
- As the scene of rioting in 1826
- As a contributor to the war effort building carburettors for Spitfires, Hurricanes and Lancasters.

Unveiling the board, Simon Tennant, chair of the Parish Council said: “This is another excellent example of close working between the Parish Council and the Civic Society for the good of Addingham”. Gill Battarbee, chair of the Civic Society, said this was also a contribution to the aim of Bradford City of Culture 2025 to have a network of walks across the district.

The Heritage Group has also published a new version of the Addingham Blue Plaque Trail leaflet complete with QR codes and additional information. Please go the Addingham Civic Society website for more details.

One of our next projects.....Could you share your experiences?

We are now going to follow up suggestions made to the Heritage Group that we produce a record of **How Addingham experienced the 2020 Covid Pandemic and the resulting lockdowns.**

- The lessons learnt could help future generations if such an event occurs again.
- We know the village responded quickly by organising ways to support the vulnerable and those in need when we were told to “Stay Home and Stay Safe”.
- We also want to understand the impact on businesses, on social life, working from home, schooling, education and health.
- We especially want to capture how individuals and families were affected during the initial months, the periods of lockdown, the vaccine rollout, the return to a more normal pattern of life and Long Covid.

If you are willing to share your own experiences, we would be delighted to hear from you. Please email: chairman.addinghamheritagegroup@gmail.com

Addingham Community Library

Our Volunteers This year we are still able to continue with the same core group of dedicated volunteers. They work hard to cover rota shifts, keep a check on poster updates and change regular window displays which are very much appreciated. New volunteers are always welcome to join us, learn the ropes and hopefully take over some older members' duties.

Keeping up to date Recently we have weeded out books from the non-fiction and fiction shelves which haven't been issued for over 2 years. These have been

returned to Bradford and replacements requested.

Donations of books have come in regularly which have been quickly catalogued and put on our shelves. We are very grateful for these. Most are nearly new publications and in excellent condition.

Secretary and Treasurer We now have a new Secretary and Treasurer. Paul Henderson and Pauline Margiotta have worked for many years on these tasks. Simon and Emma Laurence have thankfully taken on the responsibility.

News in the press The news in local press informing of possible changes to Bradford Library opening hours does not affect us and we are able to continue with current times.

Storytime sessions run by Becs and Hayley are very popular every Weds mornings during term time.

Computer We have a public computer for use by library members giving free access to email, Internet search and ancestry web sites. The free ancestry searches are very popular.

Our Summer Reading

Challenge was promoted by Addingham Primary School and our window display. **We have difficulty encouraging young people in the village to use the Library so any help on this would be much appreciated!** Written by Carol Hindle

Addingham Methodist Church

Dear Friends,

You may have noticed there is a “For Sale” sign up on our premises. In addition to the “For Sale” sign, there is a banner on the railings which says, “Our home may be going to change . . . but our presence in Addingham will continue.” Even though we are selling our building, we plan to continue to offer a Christian witness and presence as Methodists here in this village. What would that look like?

As I wrote in our Spring newsletter, you might find we’re meeting in the pub, coffee shop, or other local spaces including outdoors, as we seek to connect with God and each other. We want to foster spiritual curiosity, welcoming those who have not joined us before. Our congregation plans to continue to meet for worship, learning and outreach to the community and beyond.

Our Monday morning parent-led toddler group, Rainbow Tots, is now meeting in St. Peter’s Church Hall from 9:30-11:30am. They are now called “Little Blossoms” and have operated throughout the summer school break. I plan to visit this toddler group once a month to share Bible-stories with them. All children and parents are welcome.

This past July, we hosted a stall at the Gala, encouraging folks to pray and work for peace wherever they can. Peace is needed everywhere, ranging from our own hearts and homes to our nation and around the world. Paper doves were used to make a “peace tree” and many thanks to all who wrote thoughts and prayers. We asked God’s blessing upon them.

Until we sell our premises, we will continue to use it for worship and activities and let it to hall user groups and one-off celebrations like children’s birthday parties.

This Autumn, we will have two Local Arrangements services that enable many people to contribute to worship in creative ways, which in turn enhances personal faith. You’re more than welcome to join us.

- Sunday 22nd September at 10:30am – Songs of Praise Service
- Sunday 3rd November at 10:30am – Taizé Service for All Saints Sunday

Our Wednesday Club has resumed in our church twice monthly at 7:30pm. This group hosts guest speakers who are knowledgeable on a variety of topics. Please see the village diary in the Hub for more details on the speakers and dates, and What’s On. p.27

All are welcome to attend these meetings . . . bring a friend too.

Harvest time is upon us and we celebrated Harvest on Sunday 6th October. We collected much needed items for Keighley Salvation Army and Keighley Women’s Aid. Please see our website for more details about our donations. www.addinghammethodistchurch.org.uk.

As we continue to journey this new-to-us path, we are encouraged. Many folk have expressed their concerns and hopes about our church’s future to me and to the congregation. We trust in God who is the Source of Possibility. Echoing the words of Emily Dickinson, we strive to “dwell in possibility” as we take the next faithful step. May it be so for all of us.

Every blessing,

Rev. Shannon

Addingham NHS Walking Group

The Addingham NHS Walking Group was launched in September 2023 to encourage us all to walk to keep fit, to meet new people and to explore the local area.

We are a friendly group that meets each Wednesday at Addingham War Memorial at 10.00 for a walk in and around Addingham.

Each walk lasts for one to one and a half hours. The walks use the many footpaths and snickets in the village itself as well as the Dales Way footpath by the river. One of the pleasures of walking all year round is seeing the seasonal changes in nature and enjoying the ever changing community led gardens throughout the village.

There are some gradients on some of our walks but we are rewarded with a 'breather' and good views of the countryside surrounding the village. Many of our walking routes can be adapted for

those wishing to avoid hills and uneven ground or for those that prefer to do a shorter walk.

All walks are free of charge and there is no need to book, but we do ask that you walk in suitable footwear and wear suitable clothing for the weather conditions on the day. As yet we have not cancelled a walk due to the weather, so yes, you can walk with an umbrella when it is raining and walk with an ice cream when it's sunny! To finish the morning we end the walk at The Hub for optional refreshments and a chat.

For more information call the Well Together Service on 01274 259190 or visit their Website <https://www.bdct.nhs.uk/services/well-together-service/>

Alternatively, come and have a chat with us at The Hub when we have finished our walk, we will make you most welcome.

Brenda Jones, NHS Walk Leader

Clarke Foley Vouchers

CLARKE FOLEY VOUCHERS

This autumn there will be the annual distribution of vouchers, to spend in the village, to the senior citizens of Addingham for men aged 65 and over and women aged 60 and over.

**Collect your vouchers in Addingham Memorial Hall
on Tuesday November 19th**

between 10.00am and 12.00 noon and 1.00pm to 3.00pm.

You will need to bring evidence to prove current residence in Addingham.

Notices will be going up on the village notice boards early November.

Addingham Allotments and Gardens Association (AAGA)

We've been busy! Back in April we staged our first Spring Flower Show in five years. We didn't know what to expect, especially after enduring a prolonged spell of inclement weather in the lead-up to the event, but we were delighted with the response from our local community, both as exhibitors and visitors. We're now looking forward to an even bigger and better event next year!

Our plant sale and coffee morning in July was a lovely, informal and relaxed gathering, made possible by the generous donations of plants from our members.

Our monthly talks have also been very well-attended, featuring a wonderful variety of guest speakers who have covered a wide range of topics. A big thank you to Jane for organising these! We're already planning to make next year's talks just as exciting and informative!

And of course, **our pièce de resistance: the Annual Show in August.** It was wonderful to see so many exhibits displayed so beautifully in the Mem Hall, and not just the fruit, vegetables and flowers. The quality of the handicrafts, homecrafts, the baking, floral art and photography was just stunning.

Congratulations to our long-standing association member Marilyn, who deservedly won the Fleece Cup for most points awarded in Show.

I would like to say a big thank you to all our members, volunteers, committee members, speakers and the wider village community. Without your dedication and support our group wouldn't be able to thrive as it does. Your loyalty is truly appreciated. We are delighted that **our membership is fast approaching 100** in only the second year since the re-launch of the association. If you're interested in learning more, getting involved or meeting new people, please do get in touch or come along to one of our monthly meetings. We are

committed to making our association inclusive across the entire gardening spectrum. So, whether you have an allotment, a garden, a few pot plants or even just a couple of window boxes - or maybe none of these but have a passion for gardening, the environment, or perhaps just a warm feeling for Monty Don (!!)- please do consider joining us.

You can find us at www.addinghamaga.org.uk or by emailing us at info@addinghamaga.co.uk
Stewart Taylor, Association Chair

AAGA What's On:

Saturday 19th October: PumpkinFest, Addingham Primary School 10am to 12 noon

Thursday 31st October: Brian Hackett 'Creating an Inspirational Garden' 7pm Mt. Hermon

Thursday 21st November: Charles Hartley 'Bargain Hunt' joint event with Civic Society 7pm Mem Hall

Addingham Drama Group

Written by David Tomlinson

In April, Addingham Drama Group performed Ray Cooney's classic farce, *Out of Order*. This followed last year's hugely successful run of *How the Other Half Loves* and the audiences returned in their droves selling out the Memorial Hall once again in a hugely enjoyable five night run. Below is from a review in the *Ilkley Gazette*:

"This is farce at its best : characters are attributed different names and relationships to try and disguise what's going on; there are people running in and out of rooms through doors and windows, and there always seems to be someone hidden in the wardrobe! Exasperation, deceit, threats of violence, greater threats of passion and a very brief episode of streaking! Jane Aldridge has done a great job of directing it!"

In August we held our annual Drama Group bowls event which was thoroughly enjoyed by all. The winners were Sylvia Copping and Brian Falshaw, congratulations to them!

A note for your 2025 Diary

This autumn we will be reading

Key for Two by John Chapman and Dave Freeman

with a view to it being **our Spring 2025 play.**

Addingham Women's Institute

Addingham WI is part of the National Federation of Women's Institutes which is the largest voluntary women's organisation in the UK and is run for its members by its members.

Addingham WI members celebrating D-Day & serving drinks and homemade cakes outside The Hub

Addingham WI meetings, with fascinating talks, demos and refreshments, are held on the second Tuesday of each month, 7.30pm at Mount Hermon Chapel.

Visitors are always welcome.

WI craft, chat and scrabble afternoons are held every Monday at 2.00pm at The Hub, Addingham except the first Monday of each month when the **WI Book Club** meets.

WI members and friends also enjoy many interesting and engaging outings.

This summer these have included a theatre trip to Ilkley Playhouse, a visit to Care for Life, Cookridge including afternoon tea and an outing to York Gate Garden. Why not come along for a visit?

For What's On and our contact details see p27. Lorinda Robinson

A selection of the many items the WI craft group has made for a variety of organisations.

Items include neonatal babies' hats, Dementia patients Twiddle Muffs & soft dolls, beanie hats for the Homeless not Hopeless charity, hearts for St James's Hospital and Christmas decorations for members.

Keighley Plastic Model Club (KPMC)

As the name suggests this is a club all about plastic models.

KPMC covers every genre

- Aircraft • Armour • Figures
- Fantasy • Gunpl • and more.

About Us: With c. 40 members from Airedale, Wharfedale and surrounding areas we meet twice a month. Every second Thursday the club meets at the Applegarth Club in Riddlesden and generally, the last Sunday of the month at The Hub in Addingham.

We recently provided models for the D-Day Anniversary display in The Hub which houses our monthly "Bring and Build" sessions. These run from 10am – 3.30pm with lunch at the Swan or Heifer. **The club is open to anybody** of any age or skill level and whether you want to improve your modelling skills, show like-minded friends your work or just make

**If you'd like more information please contact
Neil Godden neilgodden@gmail.com
look us up on Facebook or pop into The Hub itself.**

some new friends KPMC would be delighted to welcome you.

The club also puts on its own model show with clubs from all over the North of England showing their models and spending money with the vendors present.

A model Sopwith Camel, WWI RAF fighter aircraft

Introducing your new Parish Councillor - Andrew Hastings

I was born and raised in Addingham and spent the first 20 years of my life living in the village.

I left to attend university and I have a degree

and Diploma in Management Studies from Sheffield Hallam University.

After graduation I then spent the next 35 years in "exile" living in Nottingham. During this period I was employed in various IT related roles. This included a significant number of years managing the European Data Centres for a large global travel management company in the UK, Germany and Spain. As well as travel management

I have worked in healthcare, financial services and logistics.

I recently returned to the village and now work part time as IT Manager for the Yorkshire Air Ambulance. The rest of the time I am working on the livestock farm that I run with my partner. This allows me to use my IT skills and knowledge to help an amazing charity develop its IT infrastructure and time to run and expand the farm.

I have recently become involved with the Addingham Beer Festival and the Gala and I am a member of both committees. In my spare time (when I get some!) I enjoy watching sport, particular rugby union and cricket.

I feel that by being a member of the Parish council I can help to maintain the village's identity, whilst using my experience and knowledge to move the village forward in an ever changing world.

Wulpherans

Some of us during an earlier Wulpherans visit to Birstwith Hall

We're a friendly, mixed, all-age social group, meeting on the first Tuesday each month in St. Peter's Hall, just waiting to

welcome you to our varied and enjoyable programme of talks, visits and meals.

This year already we've learned about the archaeology beneath our feet and local history around us, shared in a moving Easter reflection, enjoyed a delicious afternoon tea and a fun BBQ, and been on a summer garden visit.

Over this Autumn and Winter there'll be "A Vintage Affair" with Jill Jeffrey on 1st October, a Quiz with Pie & Pea Supper on 5th November, our Annual Dinner on 3rd December at the Craven Heifer, and then

on 7th January a Twelfth Night Party. (You need to pre-book for meetings with food (which is always scrumptious!))

Sounds like you? **Give us a try - a warm**

One of our delicious Afternoon Teas

welcome awaits you, whoever you are – some of our members travel miles to join us! You can come as a one-off guest, or better still join as a member! Find out more from 01943 830306 or stpetersaddingham.org.uk/life-at-st-peters/social-events/

(PS Our funny name comes from Wulphere, the Anglo Saxon Bishop who lived for a while in Addingham in the year 867

Addingham **PROBUS** Club is a local association of retired and semi-retired **PRO**fessional and **BUS**iness people, and others who are looking for fellowship and an extension of their interests.

The club is autonomous and chooses its own rules and programme. Here at Addingham we meet, monthly, for coffee & biscuits, with guest speakers, followed by, if desired, a light lunch at the Fleece. We organise day trips and Christmas lunch to which partners and friends are invited.

The club elects its own officers, typically a president, vice-president, secretary, treasurer, speaker-finder and membership secretary.

PROBUS Clubs do not exist to raise money for charity, although some choose to run occasional fund-raising events and raffles.

PROBUS is NOT a fundraising organisation

PROBUS exists to provide a social forum, fellowship and friendship for like-minded people

PROBUS is not affiliated to a central organising body

Each **PROBUS** Club sets its own rules

The origins of **PROBUS** were with Rotary, who sponsored the first clubs

PROBUS Clubs Have no upper or lower age limits

Addingham Community Resilience Plan

Cllr Catherine Coates writes:

For the last two years the Parish Council has been working alongside Bradford Council putting together a Community Resilience Plan, previously known as an Emergency Plan. The aim is for the Parish Council to have resources in place in case of an emergency. This could be due to a number of events such as flooding, power cuts or traffic accidents, a few of which we have already witnessed and attended locally.

The plan would only be implemented in a situation when emergency services or Council Officers could not attend. In this case Bradford Council would direct the Parish Council to implement the plan. Parish councillors have

and are undertaking training to cover the scenarios that we might face.

The Parish Council has a good understanding of the village and the areas of concern should an incident occur. However we are also very aware that we have a community with many residents and businesses that could also contribute to our team.

If you would like to join the Emergency Plan team we would love to hear from you. It could be that you have training, professional qualifications or a friendly nature and would be willing to help in an emergency event. Catering for anyone affected could be as simple as comforting and making a brew! We invite any residents to contact the Parish Council if they would like to be involved.

We also ask anyone who feels vulnerable to let us know how we could help them in a situation such as a power cut or a flood.

Accidents shut the bypass

We are all proud to represent the village as your councillors and therefore want to be there for you in a worrying event. Addingham is well known for its

community spirit and we hope that this can be seen in the Community Resilience Plan. **Contact us: 01943 831758** clerk@addingham-pc.gov.uk

New Homes In Addingham

Proposed reforms to the National Planning Policy Framework (NPPF), the impact on national housing targets and implications for our village

New Housing Targets

The new Government has acted swiftly by increasing the annual target from the current 300,000 new homes per annum (pa) to 370,000 pa with 1,500,000 to be built by the next election.

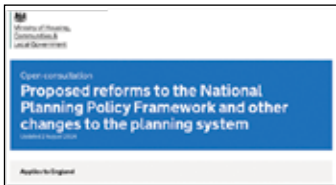

It is worth noting that the last Government struggled to build 200,000 homes pa!

Housing quality is to be addressed by the wider use of "Design Codes". There will be a higher percentage of "affordable" homes and homes for social rent.

Locally, in Yorkshire and the Humber Region, the construction target has been increased from 18,699 to 27,433 pa.

There is a general consensus that England is in the grip of a housing crisis. The main reasons put forward are that insufficient houses are being built resulting in new homes being unaffordable for many potential purchasers. There are also questions as to whether these new houses are fit for purpose.

Consultation To facilitate these ambitious goals **Government is consulting on the proposed reforms to the current National Planning Policy Framework (NPPF)**, its overarching planning policy guidance. A consultation including 106 questions, was carried out during August and September, and the final version of the revised NPPF should be published by the end of the year, the results of which

will eventually be posted on the government website.

What does this mean for us? It would be good to give a simple answer as to how the proposed changes are likely to affect Addingham. However, nothing is straightforward in planning! **Bradford is working on the next stage of its Local Plan**, a Draft Regulation 19 document, identifying detailed sites to accommodate the requisite number of houses across the district.

Addingham Target the latest number is 175 houses over the next 15 years. It is unclear whether the uplift for Yorkshire and the Humber will have an impact on this number.

Under the last Government Bradford was originally required to build 1,700 homes pa, a number subsequently increased to 2,295 homes pa (+35%) which is the figure currently being applied. However under the new Government's proposed calculation, the 35% uplift is being removed from the 20 largest cities (including Bradford) **so the target drops to 2,089 homes pa** thus casting doubt on our situation!

In summary it is not clear what the impact will be for Addingham but it will probably delay publication of Bradford's Draft Reg 19 report. However, there will be huge pressure on Local Authorities to get houses built and that will be felt in Addingham!

For more information The Government Consultation Document together with the current NPPF Policy containing changes the Government wishes to make, in the Planning section of the Civic Society Website.

<https://www.addinghamcivicsociety.org.uk/acs/planning/major-documents>
